

## PRIVATE MEDICAL SUITES (LIFECARE CENTRE)

There are Retirement Villages, then there is the new **Villa Blanca Life Right Resort** in Strand, South Africa.

Located in one of the most picturesque coastal towns in the world, the family friendly **Villa Blanca Life Right Resort** has everything, and more, to offer those in their golden years.

Intimate and not too big, **Villa Blanca** is also a one-of-a-kind boutique hotel style resort, complete with themed hospitality areas that provides a liberating and refreshing approach to life.

**Villa Blanca** is a world class service orientated resort, allowing peace of mind with its professional healthcare facilities and advanced security measures.

The attractive environment and richness in natural beauty adds to the ambience of sophistication and luxury.

Apart from the 28 one, two and three-bed villas that we sell on a Life Right basis, we

also have 10 private medical suites that can be rented out on a short, medium or long term basis. Our medical suite division operates under the banner "**Villa Blanca Lifecare Centre**".

Amongst other, the **Villa Blanca Lifecare Centre** offers world class assisted living, sub-acute, post-operative rehabilitation and convalescent facilities in a stunning hotel-like environment.

The Lifecare Centre is a haven of peace and comfort, offering professional care and quality of life to all long-and short-term rehabilitation clients.

Luxuriously furnished and fitted, all Lifecare suites have high speed wi-fi access and we serve 3 gourmet meals as well as other nutritional refreshments throughout the day.

Our post-operative rehabilitation fields of expertise:

- Orthopaedic: post joint replacement; spinal surgery and trauma,
- respite care,
- general: medical and post-surgical conditions,
- neurological: stroke; multiple sclerosis (MS) and Parkinson's rehabilitation.

The **Villa Blanca Lifecare Centre** is owned and operated by the Villa Blanca Management Company and the Lifecare Centre nursing staff is provided by ProCare Health, a national company specializing in nursing care.

The ProCare management team comprises of highly skilled professionals and independent advisors who share the same passion of improving the standard of employment service delivery within the healthcare industry and the upliftment and training of its highly skilled and professional staff compliment.

The core management team of PraCare has at least 60 years' collective experience in the industry with a true and in-depth knowledge and understanding of the current challenges related to changes in labour legislation amidst the global shortage of nurses. We can further guarantee that when you are admitted to the **Villa Blanca Lifecare Centre**, you will be provided with world class professional nursing assistance at all times.

Our rates are provided on an assessment basis, meaning that we need to assess your personal needs, your medical and nursing requirements etc, where after we can provide either immediate occupation or place you on an emergency or standby waiting list.

Advanced booking at the **Villa Blanca Lifecare Centre** is essential - please call our GM, Kim Carlisle-McCallum on **071 393 7731** to arrange a private consultation.

*"Lifecare" is the private caring and provision of basic or essential medical, health, fitness, mental stimulation and nutritional services to senior, retired or frail individuals residing on a temporary or permanent basis at the Villa Blanca Lifecare Centre"*
